## Application for Supply Chain:

Dear Recruiter,

I am writing this letter with great fervour and passion as an applicant in your group. As a determination to outshine in supply chain field, I have three **years of experience in purchasing and supply chain management in the industry**. I have managed suppliers from **China, India and Bangladesh** and have successfully managed **products to the end customers** for the companies in Germany, **France and the Netherlands** procured and imported.

I am a graduate of Masters of Business Administration in Logistics in Dresden International University, my University comes directly under the academic control of TU Dresden.

- I have learned Management principles & Case studies related to Logistics Management, Supply Chain management, Strategic and International Purchasing Management
- Supply Chain concepts like Material Planning, warehouse Management, Inventory planning, Logistics Transportation E-Commerce.

I have worked as a Junior Procurement Engineer at Premina Export.

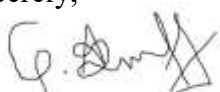

- Selection of Feasible, Flexible, & Reliable Supplier with Market Research.
- Negotiation with the Supplier in terms of Price, Quality & Shipment Process
- Selection of Durable & High-Quality Fabrics.
- Optimized the Production Process by Co-Ordinal Production & Reliable Merchandising.
- Reduced Total Production Cost and also managing Inventory with Assorting Products.

And as a Business Logistics & Operations Manager Europe

- Continuous Supplier Communication regarding quality and design alternation.
- Continuous Business coordination with the business clients all over Europe & Managing Sales.
- Business Process for Logistics & Shipment of Goods to Europe from India.
- Documentation for Customs regarding Incoterms.

I strongly believe that my current Education, Professional Experience and Interpersonal skills will definitely find a career opportunity in your group. I would like to offer my service as dedicated employee and will be an asset to your team. Thanks for your time and I look forward to meet you soon to present me more strongly.

Sincerely,

Ranjithkumar Gopalakrishnan.
